

# Roadhawk DC-2

HD 1080p

PROVIDES HIGH DEFINITION VIDEO EVIDENCE AND SUPPORTING DATA IN THE EVENT OF A ROAD TRAFFIC ACCIDENT.

- **High Performance Video Lens & Sensor:**

Produces unrivalled Full 1080p high definition video with increased low light capabilities.

- **EIS Image Stabilisation:**

Gyroscope controlled EIS produces exceptionally sharp and smooth video image quality.

- **1X Faster GPS:**

1hz GPS Receiver updates 5 times per second to produce more accurate GPS. Supplied with both internal and external GPS antennas.

- **Low light performance:**

This low-light sensor provides excellent colour reproduction and sharp-day time images, and also excellent low-light ability. This sensor exceeds the performance of IR sensors.

- **MAC & PC Compatible:**

RoadHawk viewing software supports MAC and PC operating software. RoadHawk software shows Video, GPS, Google Maps, speed and G-Force sensors.

- **SDXC Compatible:**

Supports the latest high capacity SDXC memory cards for longer record times.

- **Mounts Included:**

Fixed adhesive mounts included. Camera is fitted with a standard 1/4" for universal mounting options. Suction mounts available.

- **Constant Loop Recording:**

Records on a constant loop, locking 1 minute 'event' files triggered by the G-Force sensors.
